

ARIZONA'S POST SCHOOL OUTCOME (PSO) SURVEY

Help Us Prepare Students for Success after High School

Educators care about students with disabilities and want to make sure that they are prepared for adulthood, meaningful employment, or further education when they leave school. One year after a student leaves high school, someone from school may call, e-mail, or send a letter to ask if your child is going to college, pursuing vocational training, or working.

Responding is important! Your answers will:

- Tell schools how prepared students are for education and employment after high school;
- Help schools improve programs;
- Help schools focus on preparing students for success in the adult world; and
- Identify areas for teacher training and support.

WHO'S INCLUDED IN THE SURVEY?

Former students who had an Individualized Education Program (IEP) during their last year of high school and who are no longer enrolled in school will be asked to complete the survey. Information may be gathered from a parent, guardian, or caregiver like you.

Responding is voluntary.

Did Your School Help Prepare Your Child?

WHAT'S INCLUDED?

The short survey asks questions about your child's current educational and job activities.

WHEN?

Your school, in collaboration with the Arizona Department of Education/Exceptional Student Services, surveys young adults between July 1st and September 30th the year after they leave school. The survey is conducted by phone and asks a few questions about your child's current activities. The estimated time to complete the phone survey is approximately 10 minutes.

Your school may send a notification:

- Explaining the survey;
- Asking you to participate; and
- Telling you how and when you'll be contacted.

WHAT ABOUT PRIVACY?

Any personal information shared on the survey will be kept confidential. Your child's identity will not be shared.

SHAPE THE FUTURE!

By completing the survey, you can help shape school programs to prepare students with disabilities for successful adult lives. Please participate when you are asked to complete the phone survey.
